PACKAGING INSTRUCTIONS:

- Do not bind the product together. Place individual packs in cartons or neatly stack in boxes. Each carton should only contain product of the same quantity, price, category and tax jurisdiction. Do not mix the product in carton. Excise Tax Recovery Returns need only be separated by quantity, product deal and tax jurisdiction.
- Any product that appears to have been exposed to strong odors, foreign matter, infestation or excessive moisture should be isolated wrapped in plastic, and packaged separately.
- Shipping boxes should be in good condition. If re-using boxes, remove all old or existing labels or markings.
- All boxes need to be labeled with the corresponding RGA number and sequentially number (1 of X, 2 of X)
- Place the approved Returned Goods Authorization Form and any supporting documentation (ex. Authorized Concealed Damage Form) inside product shipment box 1 of X and keep a copy for your files.
- Validate counts. In the event of a discrepancy, the Philip Morris USA Returned Goods Department's count will be final.
- The completed form must be included with the shipment.

SHIPPING INSTRUCTIONS:

- Product must be returned via a Philip Morris USA approved carrier and must be classified as freight collect on the bill of lading
- Multiple product returns may be shipped together as long as the paperwork and packaging for each product return is executed as instructed above
